<sup>1</sup> If you maintain the required balance, we will either waive or refund the below balance maintenance fee. The combined monthly average balance is based on collected balances for qualifying relationship deposit accounts per statement cycle. Qualifying relationship deposit accounts include retail and business checking, Money Market, savings and time deposit accounts with primary, joint, authorized signer, trustee, beneficiary, director, partner, minor and shareholder relationships. Collected balance means we only include those funds for which we have actually received payment. The combined monthly average balance is calculated by adding the closing balance in the account(s) at the end of each day and dividing the total by the number of days in the statement cycle (interest paid by the Bank is not included). BanescoSelect products are eligible for additional reward benefits as stated in this product guide. Balances up to but not including the statement date will be considered.

<sup>2</sup> Statement will read "Zelle transaction fee." Transaction limits are per statement cycle.

<sup>3</sup> Includes incoming and outgoing wires. Reimbursement applied as an account credit at the end of the cycle.

<sup>4</sup> One standard order of 80 checks per calendar year when ordered via your BanescoSelect Relationship Manager.

<sup>5</sup> Debit cards are available for checking accounts. Delivery charge is waived.
